Rates are determined by number of insertions contracted on WORLD of ART. Schedules composed of mixed space units of 1/2 pages or larger are entitled to standard frequency discounts except where the use of the smaller units lowers the cost of the campaign below the amount which the larger units would reach at their earned rate. This contract and all advertising copy used in connection therewith is subject to the approval of the publisher of WORLD of ART and to all provisions of the advertising rate card in force at the time of contract. Copy and contract regulations are listed on reverse.
