▶ PAYMENT METHODS

DIRECT TRANSFER PAYPAL WESTER UNION

- The Internal Revenue Service allows professional artists and art galleries to deduct the costs of promoting artwork, including art books and catalogues, as business-related expenses.
- A well documented index of artists and cross-references to art works, an important way to share your art with collectors and art lovers, a must-have for anyone in the art world.
- The first printing run includes 24,500 copies of a quality hardcover book professional designed, modern editing, perfect bound, offset quality museum print on quality art paper.
- The artists included in book have right to three copies (12 copies for Master Profiles) at the shipping and handling charges based on the delivery option they choose (the postage cost is not included).
- The artists who will be accepted for participation in volume with one-page don't have to pay any fees but, a minimum purchase for 3-copies is required in advance payment terms.
- If you want to include more pages, you can do so with an additional advertising fee. Advertising Fee is part of the Publishing Agreement that governs your participation in Masters of Today Collective Art Books Series. This covers the editing and the quality offset printing costs.
